- **Is there an existing website** to replace or migrate content from? ☐ No ☐ Yes — URL: _____
- **Who will maintain the content day-to-day**, and how technical are they? _____

8. Constraints & preferences

- ☐ **Free / open-source only** (no paid services or licensed libraries)
- ☐ **No third-party tracking/analytics or ad embeds**
- **Accessibility / responsive:** ☐ Must work well on phones ☐ Screen-reader friendly ☐ Both (recommended)
- **Deadline / target launch date** (if any): _____
- **Budget notes** (anything that must stay free, or is there room for paid tools?): _____

9. Assets checklist (what you can provide, and when)

Tick what you already have. Missing items become clearly-marked placeholders and can be filled later.

***After this form is reviewed, you'll be given a set of ready-made labeled folders*

(a website-materials/ folder with a _README.txt in each sub-folder) to drop all of these into —

*so you organise everything once, in one place, and almost nothing needs to be asked again.***

- ☐ Logo / monogram
- ☐ Hero / campus photos

- ☐ Department banners or artwork
- ☐ Faculty photos (per person)
- ☐ Faculty/staff lists (names, designations, subjects) — format: _____
- ☐ Prospectus / fee schedule / programme details
- ☐ Admission form(s) (PDF) or the exact document checklist
- ☐ Existing content/copy for About, departments, etc.
- ☐ Gallery photos
- ☐ Downloadable documents (date sheets, past papers, results)

10. Anything else

Special requirements, sensitivities, must-haves, or things you specifically do **not** want:
