

Educational Institution Website — Needs Assessment Form

How to fill this form: Type your answers on the dotted lines. Tick a box by replacing ☐ with ☒ (or type an x next to it). Leave anything you're unsure about blank. Attach your files (logo, photos, documents) separately. Save and email the completed form back.

Filled by: _____ Role: _____ Date: _____

Best contact (email / phone): _____

1. The institution

- **Official name (English):** _____
- **Name in another language** (e.g. Urdu/Arabic/local — leave blank if none): _____
- **Short name / abbreviation** (shown next to the logo, e.g. "GC Model Town"): _____
- **Type:** ☐ School ☐ Intermediate/College ☐ Degree College ☐ University ☐ Academy/Institute ☐ Other: _____
- **City / location:** _____ **Country:** _____
- **Founded (year):** _____ **Any heritage/affiliation status** (e.g. affiliated to X University, national heritage): _____
- **Levels taught** (tick all): ☐ School ☐ Intermediate / FA-FSc ☐ Associate Degree ☐ BS (4-year) ☐ B.Ed ☐ MA/MSc ☐ MPhil/PhD ☐ Other: _____
- **Approximate size:** Students _____ Teaching staff _____ Departments _____ Shifts: ☐ Morning ☐ Evening
- **Tagline / motto** (optional): _____
- **One-paragraph description** of the institution (who you are, in your own words):

2. Domain, branding & look

- **Domain name** (e.g. example.edu.pk): _____ **Already registered?** ☐ Yes ☐ No / not sure
- **Who controls the domain's DNS?** (needed for subdomains and email) ☐ We do (panel: _____) ☐ Our hosting company ☐ HEC / university / government IT ☐ Not sure
- **Logo / monogram:** ☐ I have a file (name/path: _____) ☐ Need one designed ☐ None yet
- **Brand colours** (if known — name or hex, e.g. navy #14233f + gold #b8912e):
Primary: _____ Secondary: _____ Accent: _____
- **Overall feel** (tick any): ☐ Formal/traditional ☐ Modern/clean ☐ Warm/community ☐ Prestigious/heritage ☐ Other: _____
- **Per-department colours / artwork?** ☐ One look for the whole site ☐ Each department gets its own accent colour and banner artwork
- **A website you like the look of** (any URL, for reference): _____

- **Search & sharing:** ☐ Show rich previews when links are shared on WhatsApp/Facebook (Open Graph) ☐ Structured data for Google (institution, courses, events) ☐ Not needed

3. Languages

- **Primary language:** _____
- **Bilingual?** ☐ English only ☐ English + one more language: _____
- **Right-to-left script** (Urdu, Arabic, etc.) needed anywhere? ☐ No ☐ Yes — where: ☐ FAQ ☐ Notices ☐ Help pages ☐ Mobile app ☐ Other: _____
- **Read-aloud (text-to-speech)** of notices in: ☐ English ☐ Urdu / local language ☐ Not needed

4. Audiences & goals

- **Who is the site mainly for?** (tick any) ☐ Prospective students ☐ Current students ☐ Faculty/staff ☐ Parents/guardians ☐ Alumni ☐ Hostel residents ☐ Researchers / journal authors ☐ General public
- **Any students with visual or other disabilities** who must be able to use the portal on their own? ☐ Yes ☐ No ☐ Not sure
- **Top 3 things the site must achieve:** 1) _____ 2) _____ 3) _____

5. Public content pages (tick the ones you want)

These are informational pages. Tick what applies and add notes.

- ☐ **Home** (hero, highlights, quick links, upcoming events, latest news)
- ☐ **Sitewide announcement bar** (one-line urgent message across the top of every page)
- ☐ **About / Our Story / History** — notes: _____
 - ☐ **Heritage timeline** (key dates since founding) ☐ **Historical photo archive** (old photos, founding documents, early degree records)
- ☐ **Leadership / Principal's or VC's message** — notes: _____
- ☐ **Departments / Programmes** — how many degree-granting departments? _____ How many service / allied (non-degree) subjects? _____
 - For each department, what do you want shown? ☐ Intro ☐ Vision/Mission ☐ Head of Department + coordinator contact ☐ Faculty list + photos ☐ Programme/degree details ☐ **Scheme of studies** (semester-wise courses) ☐ Seats/fee ☐ Research / publications ☐ Labs & photo gallery ☐ Achievements
 - ☐ **Department mini-sites** — each department gets its own tabbed site, at a sub-address such as `geography.example.edu.pk` or `example.edu.pk/geography/` (needs DNS control, see §2)
- ☐ **Faculty / Staff directory** (a single searchable list across departments, kept in sync with department pages)
- ☐ **News & Notices**
- ☐ **Events / Calendar**
- ☐ **Photo Gallery**
- ☐ **Downloads** (prospectus, forms, date sheets, results PDFs, mobile-app download) — notes: _____
- ☐ **Contact** — who should receive contact-form messages (email/s)? _____
- ☐ **FAQ** (in both languages if bilingual)

- ☐ **Help Centre / How-to guides** for portal users (step-by-step walkthroughs per role; optional on-screen guided tour inside the dashboard)
- ☐ **Committees / Societies / Clubs** — notes: _____ (for a full societies portal see §9)
- ☐ **Privacy policy** (recommended once any form collects personal data)
- ☐ **Visitor counter** on the home page
- ☐ Other pages: _____

6. Admissions, results & announcements

Tick “Now” for the first launch, “Later” for a future phase.

Admissions

- ☐ Online **admission application** form with database storage — Now ☐ / Later ☐
 - Which levels/programmes take applications online? _____
 - Is any level handled by an **external government/university portal** you must redirect to instead (e.g. Punjab OCAS for Intermediate)? Name + URL: _____
 - ☐ Capture the applicant's basic details first, then redirect (so you still have a record)
 - **Eligibility rules the form must enforce** (e.g. minimum marks, domicile / NOC required for out-of-district applicants, age limit): _____
 - ☐ **Block duplicate applications** (same CNIC / B-Form)
 - ☐ **Admissions committee review** area (shortlist / reject / confirm, per-applicant)
 - ☐ Confirmation only after a **physical document-verification checklist** is ticked
 - ☐ **Status-tracking link + emails** to applicants (received / shortlisted / confirmed)
 - ☐ **Printable application** for the applicant to bring in
- **Fee payment:** ☐ In person / bank challan only ☐ Online payment needed (note: needs a paid gateway — flag it)

Other

- ☐ **Results lookup** (roll number → result)
- ☐ **Flash announcements / admission-campaign pop-ups** (scheduled, auto-expiring flyers)
 - ☐ A simple password-protected page so non-technical staff can run campaigns themselves

7. Student / Staff / Parent Portal (login area) — Now [] / Later []

Who signs in, and how?

- Students: ☐ Institutional Google account ☐ Registration no. + CNIC/B-Form ☐ Both
- Staff: ☐ Institutional Google account (recommended) ☐ Separate password for the mobile app
- ☐ **“Keep me signed in”** on personal devices
- Do all students and staff have **institutional email accounts** (e.g. @example.edu.pk)? ☐ All ☐ Staff only ☐ Some ☐ None

Academic operations (the data the portal is built on)

- ☐ **Programmes, terms, subjects, sections** managed in the admin area (bulk CSV import)
- ☐ **Course offerings & teacher allotment** — each department's coordinator assigns teachers to subjects and sections
 - ☐ **Combined classes** (one teacher teaching several sections or departments together, e.g. compulsory subjects)
 - ☐ **Parallel electives** (students of one section split across electives in the same period)
- ☐ **Timetable**
 - ☐ Weekly timetable grid (periods × days × rooms) with **teacher / room / section clash checks**
 - Views wanted: ☐ My timetable (student/teacher) ☐ Per section ☐ Teacher workload ☐ Room occupancy
 - ☐ **Timetable In-charge portal** for the timetable committee (not only the web admin)
 - ☐ Period lengths vary by day/shift (e.g. shorter Friday periods)
 - Do you have the current timetable as a document? ☐ Yes (format: _____) ☐ No

Teaching & learning

- ☐ **Attendance** (period-wise, marked by the teacher) — ☐ on the web ☐ on the mobile app
- ☐ **Marks / assessments** entered by teachers, published to students
- ☐ **Homework / assignments**
- ☐ **Class notices** (teacher → section) and **college circulars** (admin → everyone)
- ☐ **Dashboards** per role, with attendance percentage and today's classes
- ☐ **Notifications**: ☐ Email ☐ In-app ☐ **Nightly absence digest to parents**

Parents

- ☐ **Parent/guardian view** of attendance, marks and notices through a private link (no password), verified by the parent's mobile number
 - Can you provide guardian mobile numbers for each student? ☐ Yes ☐ Partly ☐ No

Absence alerts on WhatsApp (optional)

- ☐ Wanted — via a **free desktop-assisted tool** on an office computer (a staff member reviews and sends; no paid WhatsApp Business API)
- ☐ Not wanted — email + in-app is enough

Administrative roles (tick the offices that need their own access — see also §11)

- ☐ Principal (read-only overview) ☐ Vice Principal (Academics) ☐ Heads of Department (own department only) ☐ Department coordinators ☐ Controller of Examinations ☐ Timetable committee ☐ Registrar / admin office ☐ Other: _____

8. Mobile app — Now [] / Later [] / Not needed []

- ☐ **Installable web app** (added to the phone's home screen from the browser; cheapest option)
- ☐ **Native Android app** for students, teachers and parents
 - ☐ Distributed **directly from our website** (no Google Play account; the app updates itself)
 - ☐ Also published on **Google Play** (needs a paid developer account — flag it)

- ☐ **Force an update** when an important version is released
- ☐ **Parent links open straight in the app**
- iPhone (iOS) app needed? ☐ No ☐ Yes (note: needs an Apple developer account and a Mac — flag it)
- **Who will keep the app's signing key safe?** (If it is lost, every user must uninstall and reinstall.) Name / office:

9. Directorates & campus-life portals (each is optional)

Each one can be a section of the main site or its own sub-site (e.g. `qec.example.edu.pk`). Tick only what you run.

- ☐ **Quality Enhancement Cell (QEC)** — Now ☐ / Later ☐
 - ☐ Anonymous **student evaluation of teachers/courses** (HEC-style questionnaire), opened in controlled cycles, one response per student per course
 - ☐ Director's **analytics dashboard** ☐ Publish **Self-Assessment Reports (SAR)** and QEC documents
- ☐ **Student Affairs / Societies** — Now ☐ / Later ☐
 - How many societies/clubs? _____ ☐ Student **cabinet** roster ☐ **Events calendar** (auto-moves past events to archive) ☐ Online **membership applications** approved by the in-charge
- ☐ **Sports Directorate** — Now ☐ / Later ☐
 - ☐ Disciplines & events ☐ Student **trial registration** ☐ Trial scoring and **squad selection** ☐ **Fixtures & results** ☐ CSV export
- ☐ **Hostel / Provost** — Now ☐ / Later ☐
 - Number of hostels _____ rooms _____ beds _____
 - ☐ **Online hostel application** with a **merit list** (merit formula, e.g. marks + distance from home: _____)
 - ☐ **Room & bed chart** for the warden (mark beds occupied / vacant / damaged, transfer residents)
 - ☐ **Allotment → fee challan → bursar clearance** before a resident is activated
 - ☐ Resident self-service: ☐ gate passes ☐ leave requests ☐ complaints ☐ attendance record
 - ☐ **Night roll-call**
- ☐ **Academic blog** (articles by staff and students, reviewed before publishing)
- ☐ **Research journal** (peer-reviewed, e.g. an e-journal with its own name: _____)
 - ☐ Submissions only from **institutional email addresses** ☐ Submission window opened/closed by the editor ☐ Author consent step before publishing
- ☐ **Alumni** — ☐ Self-registration (verified by a college document, reviewed before listing) ☐ Public directory (contact shown only with consent) ☐ Printable **membership card**
- ☐ Other directorate / office that needs its own page or portal: _____

10. Accessibility & inclusion

- **Baseline:** ☐ Must work well on phones ☐ Screen-reader friendly ☐ Both (recommended)
- ☐ **High-contrast mode and larger text** switch
- ☐ **Audio “daily briefing”** for blind students (today's classes, rooms, teachers, attendance — spoken aloud)
- ☐ **Screen-reader-friendly timetable** (a day-by-day list instead of a grid)

- ☐ **Listen button** on notices (read aloud in English and the local language)
- ☐ **Staff publishing rule:** no image-only notices — every notice must have readable text
- ☐ Mobile app with **TalkBack** support and vibration feedback

11. People, roles & access

Who holds which office, so the right people get the right access on day one. Names can be added later; the office is what matters.

Office	Name (optional)	Official email
Principal / Head of institution		
Vice Principal (Academics)		
Webmaster / IT lead (owns the site)		
Registrar / admissions office		
Controller of Examinations		
Timetable in-charge		
Director QEC		
In-charge Student Affairs		
Director of Physical Education / Sports		
Provost / Warden, and Bursar		
Journal editor		

- **Heads of Department and coordinators:** list per department in the materials folders (see §14).
- **Should access be limited to institutional email addresses only?** ☐ Yes ☐ No
- **Who approves what is published** (news, articles, results)? _____

12. Hosting & technical

- **Hosting:** ☐ Already have it (provider/plan: _____) ☐ Need a recommendation ☐ Not sure
- **Server type:** ☐ Shared hosting ☐ VPS ☐ Don't know
- **Access available:** ☐ SSH ☐ FTP/SFTP ☐ cPanel/hPanel ☐ None yet
- **Database:** ☐ MySQL/MariaDB available ☐ Don't know **How many databases does the plan allow?** _____ (the full build uses up to 4: website, admissions, portal, alumni)
- **Can we add subdomains?** (for department / directorate sub-sites) ☐ Yes ☐ No ☐ Not sure
- **Outgoing email / SMTP** (for form + portal notifications): ☐ Google Workspace ☐ Other: _____ ☐ None yet
- **Google Workspace domain** (needed if sign-in uses Google): ☐ Yes: _____ ☐ No
- **Is there an existing website** to replace or migrate content from? ☐ No ☐ Yes — URL: _____
- **Who will maintain the content day-to-day**, and how technical are they? _____
- **Code prefix** (technical, optional — 2 to 10 lowercase letters used inside the site's code and database, e.g. gcmt): _____ Leave blank and one will be suggested from your short name.

13. Constraints, security & handover

- ☐ **Free / open-source only** (no paid services or licensed libraries)
- ☐ **No third-party tracking/analytics or ad embeds**

- ☐ **No paid SMS / WhatsApp Business API** (use email, in-app notices and private links instead)
- **Security expectations:** ☐ Lock out repeated wrong logins ☐ Staff must change default passcodes at handover ☐ Uploaded documents never publicly reachable ☐ Regular backups (who keeps them? _____)
- **Handover:** ☐ Written operations guide for staff (who publishes what, where) ☐ Technical handover document ☐ Training session(s): how many _____
- **Where should the source code be kept?** ☐ Private GitHub account owned by the institution ☐ With the webmaster ☐ Not sure
- **Deadline / target launch date** (if any): _____ **Admission season to be ready for:** _____
- **Budget notes** (anything that must stay free, or is there room for paid tools?): _____

14. Assets checklist (what you can provide, and when)

Tick what you already have. Missing items become clearly-marked placeholders and can be filled later.

***After this form is reviewed, you'll be given a set of ready-made labeled folders*

(a website-materials/ folder with a README.txt in each sub-folder) to drop all of these into —

*so you organise everything once, in one place, and almost nothing needs to be asked again.***

Public site

- ☐ Logo / monogram
- ☐ Hero / campus photos
- ☐ Historical photos / founding documents
- ☐ Department banners or artwork
- ☐ Faculty photos (per person, named as the person)
- ☐ Faculty/staff lists (names, designations, subjects, emails) — format: _____
- ☐ Department profiles + scheme of studies per programme
- ☐ Prospectus / fee schedule / programme details
- ☐ Admission form(s) (PDF) or the exact document checklist
- ☐ Existing content/copy for About, departments, etc.
- ☐ Gallery photos
- ☐ Downloadable documents (date sheets, past papers, results)

Portal & operations (only if §7 is ticked — never include passwords)

- ☐ Student lists (registration no., name, programme, section) — format: _____
- ☐ Guardian names + mobile numbers
- ☐ Section enrollments for the current term
- ☐ Course offerings / teacher allotments
- ☐ Current timetable (per section / per teacher)

Directorates (only if §9 is ticked)

- ☐ Society list, cabinet members, upcoming events

- ☐ Sports disciplines and events
- ☐ Hostel blocks, rooms, beds, fee, and hostel rules
- ☐ QEC questionnaire (if not the HEC standard) and SAR documents
- ☐ Journal name, editorial board, author guidelines

15. Anything else

Special requirements, sensitivities, must-haves, or things you specifically do **not** want:
